Now It Is Known

A meeting was called on Oct. 4 to find out what the residents of St. Albert thought of amalgamation with Edmonton, and with a hope to have town council hold a plebiscite on Oct. 18 regarding this.

The meeting was unsuccessful in that a decision was made but it came much sooner than those who had petitioned for the meeting expected.

The pros and cons of amalgamation had been batted around the crowded school auditorium at Father Jan School with the Citizens Committee for Amalgamation holding back the two-way resolution until the discussion was over.

This proved to be poor strategy, the resolution never did get to the floor. Robert Russell threw a monkey-wrench into the proceeding when, a few minutes after nine o'clock when he moved a resolution that the town council be asked to hold a meeting to hear briefs early in 1968 on the matter

of amalgamation with Edmonton.

Although a heckler told Mr. Russell he would never get a seconder for his motion he not only got the seconder but the motion passed with a majority vote. A quick motion to adjourn left the Citizens Amalgamation Committee members speechless and all left the meeting knowing that at least most of those attending were not ready for amalgamation at this time and wanted their council members to study the matter further.

When bringing his motion to the floor Mr. Russell explained that he felt he and many others were not in a position to vote for or against amalgamation because there had been no time to study thoroughly just what it would involve. He felt that at least the public should wait until Dr. Hanson had finished his study and reported his findings.

J. Gordon McBloom, chairman of the Amalgamation Committee presented

his findings on all benefits to town ratepayers that would be forthcoming with amalgamation. He mentioned education, library facilities, policing, fire-fighting, garbage disposal, public transportation, store hours and others. Several citizens spoke disagreeing with his statements and showing extra expenses that Edmontonians have to bear that do not occur here. These including the support of community leagues, frontage tax admission to skating rinks and so on.

Figures were presented that showed it cost over \$100 a year more to live in St. Albert than to live in the same valued house in Edmonton. To this several persons stated they thought the extras provided here were certainly worth the \$100. All were willing to admit that Edmonton was in for a sudden rise in their mill rate.

CONT. ON PAGE 3

ALLEN SULATYCKY - Whitecourt, Liberal.

ROBERT CHRISTENSEN, Seba Beach New Democratic Party.

DOUGLAS CASTON, Edson Progressive Conservative.

These three will contest the federal election in the constituency of Jasper - Edson in the Nov. 6 elections. The riding was left vacant when Dr. Hugh Horner, PC, resigned his seat in the federal government to run successfully in the provincial elections in the Lac, Ste. Anne constituency. The Sturgeon municipality is in the Jasper - Edson constituency and one of these three will represent them in Ottawa until the next election at which time the constituency disappears in the new distribution of seats. Sturgeon will then go into the Pembina, other areas go to Rocky Mountain House and Wetaskiwin constituencies.

St. Albert at Awards Dinner

When the Edmonton District Minor Soccer Association hold their awards dinner at the Macdonald Hotel on Oct. 14 there will be 48 representatives from St. Albert, including Mayor Fowler.

The reason for the large attendance from here is because St. Albert's junior heroes of Soccer fame are to receive three trophies. They will be presented with the Northern League Cham-

pionship, the Northern Play Off Championship and the Provincial Championship. The St. Albert Hercules are Pee Wee Soccer players who have gone through the ranks and then won the provincial honors in Calgary on Oct. 7.

The dinner is limited to 400 guests.

The management of the team tells the Gazette they are grateful for the cooperation of the parents and fans of the boys who showed up

to cheer them on and who assisted in all the activities of the year. There were nine cars at the play offs in Calgary on Oct. 7.

NO MEETING

The Chamber of Commerce has cancelled their October meeting due to all the activity of the forthcoming elections.

The next regular meeting of the Chamber will be held on Nov. 14 at the Club Mocombo.

Three Time Winners

The St. Albert Hercules are now the proud winners of the Provincial Soccer Championships, the highest award a Pee Wee Soccer team in Alberta can win. Pee Wee teams are made up of boys 10 to 12 year old. Provincial Championship St. Albert Hercules 4 - River Park Calgary 2.

On Oct. 7 a cavalcade of nine cars left St. Albert carrying Hercules Pee Wee Soccer team to Calgary. Thirteen excited boys with their fans all with high hopes of winning the Provincial Championship arrived at Glenmore Park to be greeted by Dave Whitely, Pee Wee Director, Edmonton and District Minor Soccer Association. Calgary was represented by the River Park team which had won the Southern Alberta playoffs, defeating a team which represented Alberta at the Centennial Soccer Games in Montreal earlier this year.

Despite showing some stiffness from their long trip to Calgary, St. Albert forwards gained possession of the ball early in the game and pressed home an attack which was stopped by the referee's whistle to signal an infringement by the River Park defence. The resultant free kick from 30 yards out by Geoff Holden saw the ball strike a far post to rebound to left winger Barry Alliston who popped the ball in for the first goal. St. Albert's goal sparked the Calgary team into action and within five minutes they had the equaliser in the net. Smart play by their forwards, who showed great speed in attack moved the ball in front of the St. Albert goal to the centre forward, keeper Gary Larsen had no chance to save despite his heroic dive.

River Park's forwards kept up their fast pace and exerted pressure on the Hercules defence who were hard put to keep the ball away from the goal. As the first half wore on St. Albert began to loosen up and both teams gave the fans a fine exhibition of Soccer. At the half time whistle the score

Sir Lawrence Olivier sign's Canada's Birthday Card shortly after finishing his performance in "Love for Love" at the Jubilee Auditorium Tuesday night. When Mr & Mrs Bill Sutherland thanked him, saying they were honoured to have him sign their Save the Children Centennial project, the world famous actor replied "Indeed I am honoured that you asked me". His signature appears below those of Princess Alexandra and Angus Ogilvie on a special Card page, followed by those of the cast and Mr. Walter Kaasa. Gazette photo

Appeals Not Recognized

Those who appealed their assessment this year are being notified that these appeals, although heard in the proper manner and acted upon by the Court of Revision are now nullified.

The council of the town of St. Albert thoroughly discussed the matter at their Oct. 10 meeting and will send out the following letter to those who did appeal their assessment explaining the situation.

"We have recently been advised by the Alberta assessment appeal board that appeals to the Board and to the Court of Revision in regard to the above cannot now be recognized.

"Due to the late completion of this general assessment it was obvious that complaints to the court of revision and the Alberta assessment appeal board could not be dealt with until later in the year and this, of course, would have put the town in a position where it could not establish a mill

rate for taxation until all assessment complaints and appeals had been heard. Consequently, at the request of your council, permission was granted by the Minister of Municipal Affairs (M.O. No. 143/67, dated June 22nd, 1967) to postpone the general assessment for taxation purposes 1967 to the year 1968. This same ministerial order authorized the town to adopt the assessment of real property set forth in the 1966 assessment roll, together with the addition of any property which became assessable prior to Oct. 31, 1966, for taxation purposes in 1967. All 1967 tax notices will, therefore show the assessments as used in 1966 (plus any addition for new development).

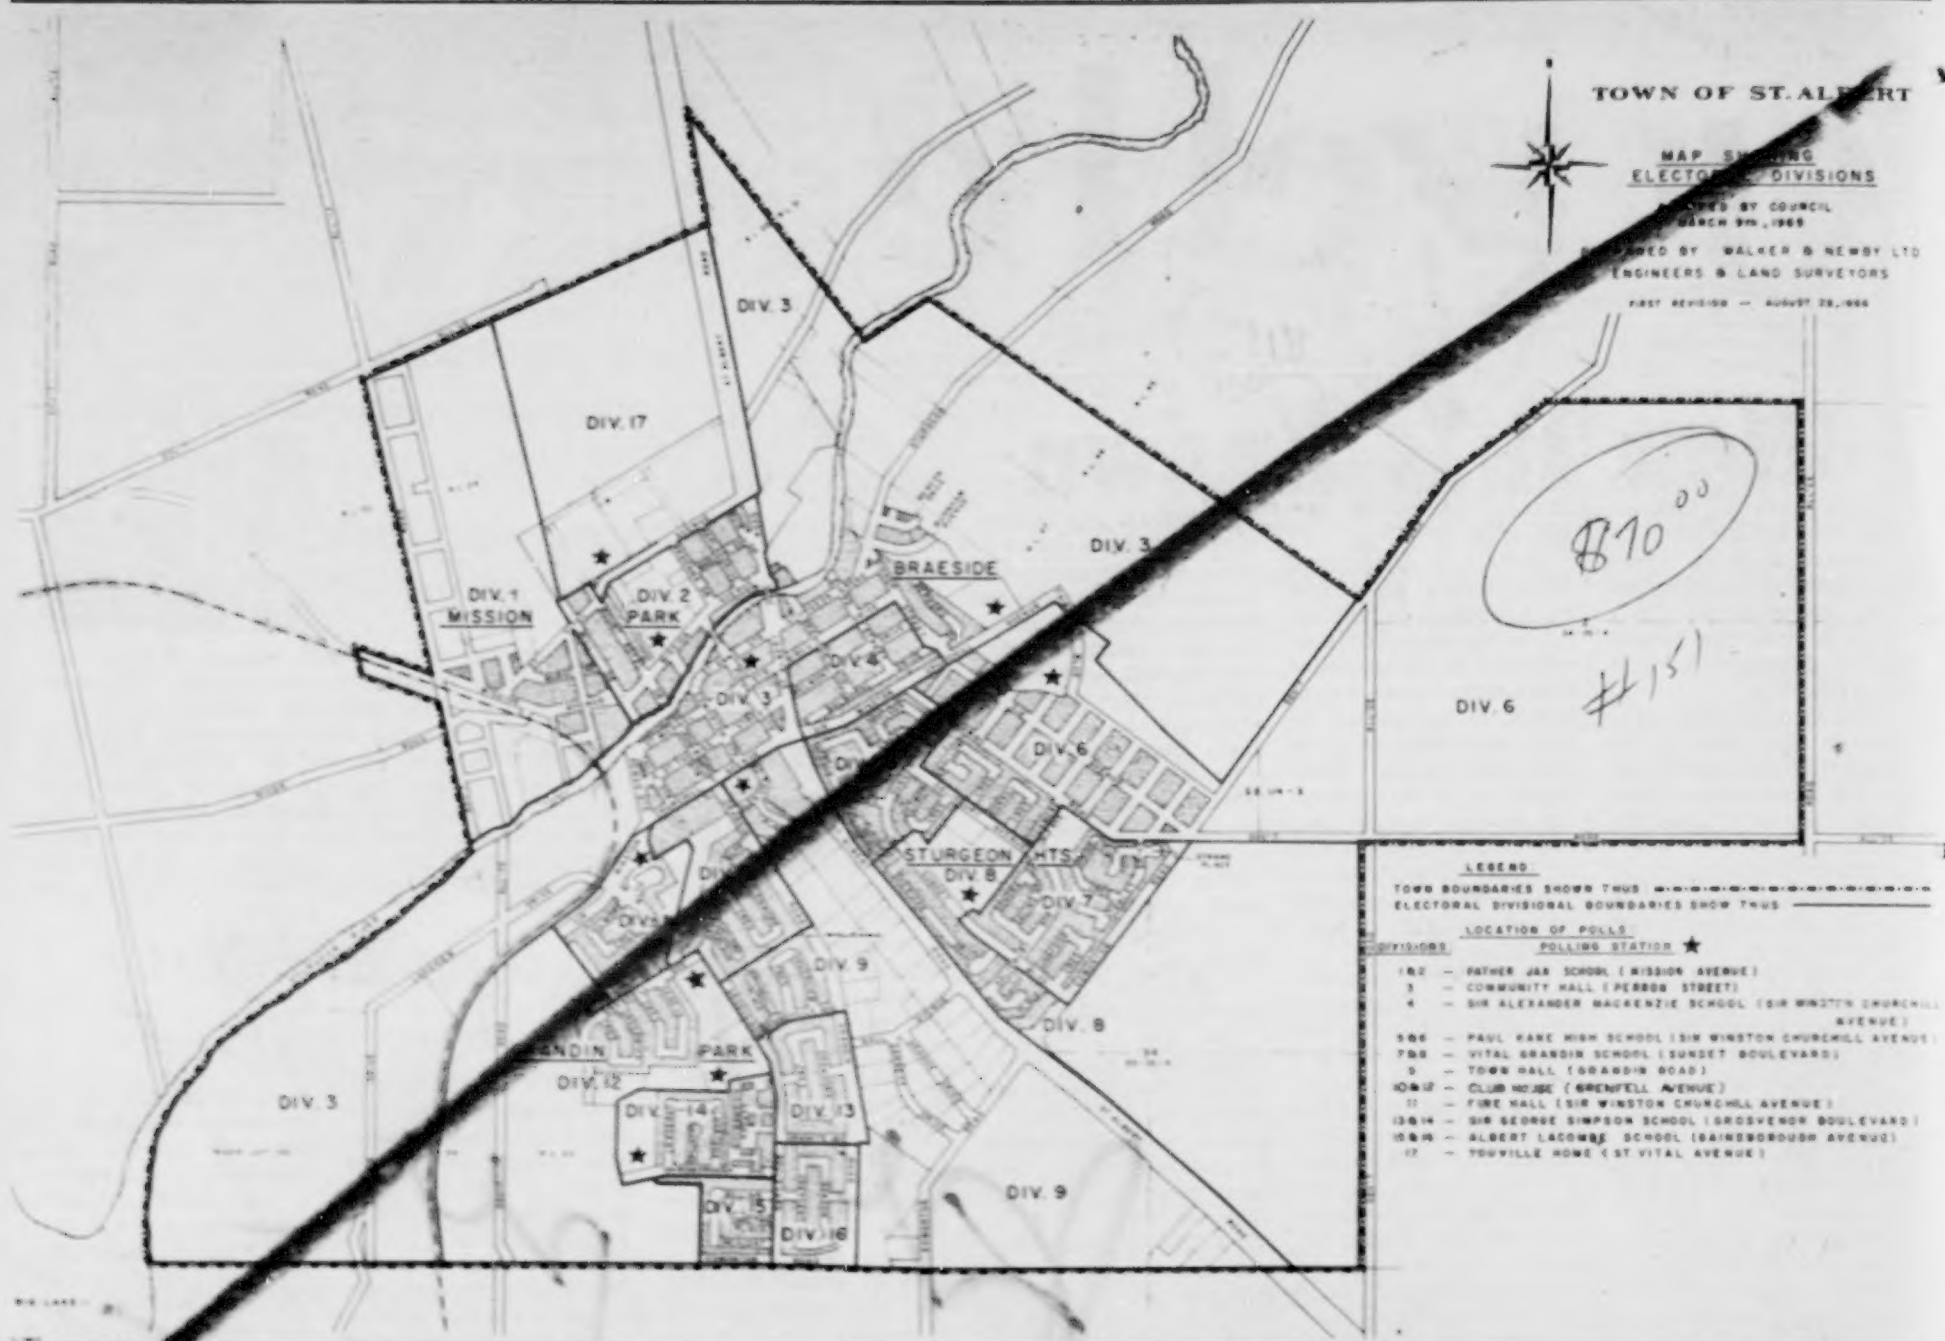

"The issuance of ministerial order No. 143/67 and the fact that the town has adopted the 1966 assessment roll for 1967 nullifies the effects of previous actions

TOWN ELECTION, WED. OCT. 18 - VOTING 10 A.M. till 8 P.M. VOTE AS YOU THINK...BUT THINK BEFORE YOU VOTE

MAP SHOWING ELECTORAL DIVISIONS

Notice of Poll Town of St. Albert

PUBLIC NOTICE is hereby given that Polls will take place FOR THE ELECTION OF:

1. Councillors for the Town of St. Albert, and
2. Trustees for the St. Albert School District No. 3, and
3. Trustees for the St. Albert Protestant Separate School District No. 6, and FOR THE VOTE OF:

Proprietary Electors of the Town of St. Albert on By-law 14/67 and By-law 32/67.

ON Wednesday the 18 day of October, 1967 from 10:00 o'clock in the forenoon to 8:00 o'clock in the afternoon at the Polling Places as shown on the Plan of Electoral Divisions as approved and adopted by Council, and

AT THE ADVANCE POLL to be held on Friday the 13 day of October 1967 between the hours of 4:00 o'clock and 8:00 o'clock in the forenoon and on Saturday the 14 day of October 1967 between the hours of 1:00 o'clock and 5:00 o'clock in the forenoon in the

Council Chambers of the Town Hall, St. Albert -

AND I will, in the Council Chambers of the Town Hall on Thursday the 19 day of October 1967 at 12:00 noon o'clock, sum up the votes and declare the results.

DATED AT ST. ALBERT THIS 28 DAY OF SEPTEMBER A.D. 1967

G. P. Moore,
Returning Officer.

ST. ALBERT Recreation News

The films and lectures in connection with the Gourmet Cooking Course, sponsored by the Parks and Recreation Department, through the courtesy of Northwestern Utilities, will be held in the Music Room of the Leo Nickerson School Sycamore Ave., on Oct. 16 and 23, at 8:00 p.m. Anyone wishing to register or requiring further information is invited to phone the Department at 599-8601. Registration is limited - so first come first served. Incidentally, there is no charge for the course - and gentlemen, won't you join the ladies?

SWIMMING

We regret very much to have to draw attention to a very severe case of vandalism at the Swimming Pool during Thanksgiving weekend. Benches were smashed a barrel of soap, rocks and other miscellaneous objects were thrown into the diving tank.

These are senseless acts by people who have obviously no pride in their town. The swimming pool and all our other facilities, cost a lot of money and the townspeople are rightly proud of them. To misuse them and

deliberately cause damage is surely the height of irresponsibility and we would ask the people of St. Albert to report immediately to the R.C.M.P. anyone acting in a suspicious manner around the swimming pool or any other recreational facility.

REGISTRATION
There are still a few vac-

ancies in the dressmaking classes at 8:00 p.m. in the clubhouse and if there are sufficient registrations for millinery, a class will be held on Wednesdays in the clubhouse.

TENNIS
During the past few weeks the tennis courts have been open but unsupervised and

quite a few citizens have made use of the good weather to extend the tennis season. Unfortunately, however during this time there have also been some acts of vandalism at this location. Once again we would ask the public for their cooperation in protecting their property.

Ray Gibbon, acting mayor of St. Albert, was asked if he favored amalgamation to which he promptly replied "No I am opposed to it. I did not move here just to return to the city where I had lived for over 30 years. St. Albert gives to my family the type of living they want with open air, quiet streets and all the things that make a smaller community a good place in which to live." Mr. Gibbon implored the people to give the council time to study this situation and promised that when the time was right they would call for a plebiscite and if the people then wanted amalgamation they would go to the local authorities board and ask for it.

It would appear the meeting listened to Mr. Gibbon and heard!

This picture shows damage done to trees on Grosvenor Boulevard. The Parks and Recreation Department of the Town of St. Albert have posted a \$50 reward for the identification of the culprits. Nine trees in all were broken. Mr. Gate, superintendent of the department and Jack Fleming secretary-treasurer of the town, told the Gazette that they are amazed that anyone could possibly do such a thing to destroy the beauty of the boulevard, each expressing a sincere hope that the culprits are brought to justice.

THREE TIME WINNERS

Continued from Page 1

remained tied at one goal each.

Centre half "Leadfoot Verbeek" suffered a recurrence of an old injury and could not return for the second half. His replacement involved four positional changes with L/H Jimmy Winters filling the centre half position. From the opening of the second half St. Albert began to show the form which has made them the top team in Edmonton and District League and Championship competitions. With the second half only five minutes old, left half Donnie Hunt in his new position split the Calgary club's defence with a slide rule pass to the foot of inside right Gordie Brown who coolly measured the situation and

placed a low hard shot close inside the upright and well out of the keepers reach. Once again the Calgarians reacted in fine fashion and soon after came up with their second goal, a shot from 15 yards out which found the corner of the net beyond the outstretched fingers of keeper Larsen. The game continued to see-saw with both keepers being brought into action. The St. Albert halfbacks, Hunt, Winters and Field played magnificently and fought hard to stem attacks and to keep their own forwards in the game.

Winters and Field shone with their heading ability in dealing with high balls and Hunt was a tireless worker. Forwards Alliston and Eschak although the smallest players on the field were constantly in the fray. With 15 minutes left Hunt swung a high ball to centre forward Peter Bosiak who leaped in the air and with his back to the keeper back-headed a magnificent goal from 12 yards out. This

spectacular goal left the opposition dazed and with five minutes left in the game, a free kick was conceded for an infringement against St. Albert. R/W Geoff. Holden made no mistake from 25 yards out to register his 22nd goal and the fourth and final goal of the match. Despite a 2 goal deficit the River Park team fought hard to the end but the strong tackles and fine covering of the goal mouth area by backs Mencer and Burrows nullified the efforts of the Calgarians.

As the final whistle blew fans stormed the pitch to congratulate the valiant Hercules team which has won three major soccer titles this season; the Northern League Championship, the Northern Play Off championship and the Provincial Championship; a major feat by 13 boys who have displayed a high degree of sportsmanship and conducted themselves throughout the season in a most commendable manner.

Library

Extends Hours

Mr. Soprovich read the correspondence which he had received and it was discussed. With the letter received from the town council in mind Mrs. Johnston moved that Tuesday library hours be extended from 6:30 p.m. to 9:30 p.m. instead of the previous 7:00 p.m. to 9:00 p.m. These hours went into effect on Oct. 10.

An extra helper will be there on Tuesday evenings as this is the busiest period in the library. Mrs. Hesse stated that Miss L. Farrier would be willing to work these evenings and this was accepted.

Mr. Soprovich will submit a list of capital expenditures to the town council for approval for the 1968 budget.

The cultural evening for October has had to be postponed but there will be one in November. Tickets may be obtained from the librarian at no charge. There will be 36 tickets available.

Mrs. Hesse is to review the minutes of all the previous meetings and pick out and record the major policies of the board.

With regard to holidays for the present staff the following policies were passed:

After one year of employment two weeks holiday.

Holidays may be saved for not more than two years providing the library can operate during employees absence.

If no holidays then 4% of wages will be paid.

Personnel must stagger their holidays.

Mr. Soprovich reported that the remainder of the furniture should be in within a couple of weeks.

Appeals Not Recognized

Candidates have their say

Something Can Be Done

I am 35 years old and have lived in St. Albert for over five years. I received my B.S.c. in Engineering from the University of Alberta in 1960 and I am now a section head involved in the teaching of engineering sciences at the Northern Alberta Institute of Technology. Previous to attending university I had a number of years experience in the accounting field.

I believe that my background and occupation has given me experience that would allow me to make a substantial contribution to the St. Albert Separate School Board.

During the time that my family has lived in St. Albert I have been involved in many facets of community life: President of St. Albert and St. George Simpson Home and School Associations, Member of the St. Albert United Church Board of Stewards and Official Board, Member of the St. Albert Municipal Development Appeal Board.

These activities have given me an insight into the community life of St. Albert and a knowledge of the problems that affect the people living here.

There are many problems that are affecting the people of St. Albert.

- We have a very high proportion of school aged children.
- The planning for educational facilities for these children has lagged in past years and the school board is now attempting to catch up.
- Poor budgeting policies in past years have left us with a deficit which we are now attempting to erase.

These problems affect us all financially and, except for point number one, something can be done about them.

I propose, if elected to try and accomplish the following:

- (1) A realistic program for expansion, geared to take into consideration both increased enrolment and diversified programs.
- (2) Improve the communication between the board and staff so that the chance of budget omissions would be reduced.
- (3) Improve the relationship between the separate and public school boards, and the municipal council so they can work together to try to hold or reduce the mill rate.

I ask your support on Oct. 18,

signed J. A. Wiltshire.

LAB Control of St. Albert

Our town is under the financial control of the local authorities board. I do not believe this benefits the town or is now justified and if re-elected, I will work to bring this control to an end.

St. Albert was put under L.A.B. control in 1962 because it needed half a million dollars to pay its outstanding subdivision development debts. These debts were incurred because development contracts were mis-handled by the town. Three representatives of the Provincial Government were on the board of administrators of the town during this time. As a condition of receiving a loan of half a million dollars, the town was then put under L.A.B. control. Few municipalities are under L.A.B. control.

Who are the members of the L.A.B.? They are three men hired by Premier Manning. These men may be appointed for reasons other than their qualifications as municipal affairs experts and these three men can over-rule the decisions made by your elected mayor and six councillors. Man for man, I believe that our present council has a better knowledge of local St. Albert problems. St. Albert has met its obligations since 1962 and should have the apron strings of the L.A.B. untied immediately. It is an insult to the present senior staff and councillors of the town and continuation of L.A.B. control and interference in council decisions has never been justified.

Incidentally, the same L.A.B. will decide whether or not St. Albert is ever amalgamated with Edmonton. It is high time that this board ceased to be prosecution, judge and jury of our town.

signed Richard Wheatley.

We Need Recreation

The subject of amalgamation will again be explored by the new council in 1968. If re-elected I would not only solicit briefs from groups in St. Albert, but also try to have meetings with the officials of the City, the M.D. of Sturgeon, the provincial government, the hospital board and the school boards.

Some of the alternatives to amalgamation could be regional tax sharing on industrial development, metro-government, changes in the foundation plan and the like.

The City may find it more advantageous to lower the price of water it sells to St. Albert than to take over the maintenance of Highway 2 or incur other extra costs. As well as determining our own future tax rates in Edmonton. The report by Dr. Hanson will be of help here. The public meeting was indeed wise to insist on more information and hearings prior to a vote.

There is no doubt that the recreation department will cost us money. More emphasis

Cont. on page 6

Better Communication Needed

Do you as a supporter of the St. Albert Public School system want a board member that will act on your behalf on all matters pertaining to the education of your children? Do you want someone that will give all his energy to the task that is entrusted to him by you the electors?

If you do, then may I be so bold as to suggest that you cast your vote in my favour on election day.

I am a three year resident of St. Albert and a father of two boys, one presently a pupil at Albert Lacombe School, and a second who will launch his educational career next year.

I am an active member of the St. Albert Council of the Knights of Columbus, vice-president of the Board of Directors of St. Joseph's Seminary Society and sincerely interested in taking a more active part in our community affairs.

As Public Relations Director for the Alberta Association of Registered Nurses, my job is communicating with the public. I feel that there is a necessity

Cont. on page 6

Lack of Co-operation

In accepting the nomination for councilman I did so because I felt that poor planning and civic red tape have created high taxes.

Most important in my view there lacks cooperation between the investor and the Civic Management.

My entire environment is in St. Albert. I live here and work here.

My views on management is the following quotation.

"Management is a guiding of human and physical resources into dynamic organization units that attain their objectives to the satisfaction of those served and with a high degree of morals and a sense of attainment on the part of those rendering the service."

Donald E. Bull.

a Mickey Finn type group. Mr. Wennes will be bandmaster for the St. Albert Separate choirs against this year. The Wennes family reside at 71 Geneva.

Mrs. R. Lefebvre of 14 Grandville has been appointed to the position of Teaching Aide at Elmwood Elementary School in Jasper Place. Mrs. Lefebvre is the only aide employed at the school and there are a limited number of aides in the Edmonton School systems. No teaching aides are used in St. Albert. This is a relatively new innovation in the field of education, created to leave the teachers free to teach. Teachers are becoming more bogged down by clerical duties and it is expected that wide spread use of the Teaching-Aides will relieve this problem. At the moment Mrs. Lefebvre is in charge of the films in the school library. She also does stencilling and other related work.

Gaston Curial of Bellrose Drive is a patient in the Edmonton General Hospital, where he underwent surgery.

Mrs. W. M. Gilchrist of

Ottawa is a guest at the home of her son-in-law and daughter Mr. and Mrs. L. Kennedy of 14 Grosvenor.

J. H. van den Leeuw of Amsterdam, is visiting his son-in-law and daughter Mr. and Mrs. A. Vandenbos of 29 Sheridan. Mr. Van den Leeuw had not seen his son-in-law in over 13 years and he had never met his grandchildren! Mrs. Vandenbos visited her father a few years ago. Mr. van den Leeuw will leave St. Albert Oct. 19 and he plans to visit Toronto and Expo before returning home to Holland.

The Bowling Leagues are in full swing again. The Wednesday Morning Coffee League named their executive last week. Elected to office were: President

Carol Walker of 10 Savoy, Treasurer Louise Lukay of 38 Balmoral and Secretary Esther Bradford of 6 Salisbury.

The Ladies Curling Club held a general meeting Oct. 3. Skips and Thirds are needed. Interested ladies may telephone Doreen Dolman at 599-7248.

The C.W.L. will be holding their Annual Bazaar Nov 3 and 4. Bingo will be featured on the third, with the various bazaar booths open for business on the fourth. Watch for further announcements and plan to join in the fun!

Mrs. N. Ross, Dr. W. Mirlin, V. Maloney and D.

chell visited Expo.

Letter to the Editor

AMALGAMATION.

There are a great many
arguments and statements
made about amalgamation
with Edmonton, but, I believe
about 99% of them reject it.
The only argument that
would appear to favor amal-
gamation seems to be that
our mill rate is higher. So
that one is the one I would
like to talk about. I am a
comparative newcomer to
St. Albert but I make this
statement without reserva-
tions. After amalgamation
we will lose something that
cannot be duplicated any-
where in Alberta, or Canada
for that matter. I find that
I can save at least \$100 a
year by just taking advantage
of the conveniences St.
Albert presents to me.

I lived in Edmonton for
about 23 years and I cer-
tainly would never wish to
move back, I find I can
shop any and every night at
leisure without standing
in lineups as you must on
Thursday nights in Edmon-
ton. I can buy an auto li-
cense, have my registration
changed, buy auto insurance,
have mechanical work done
on my car, have my hair cut,
take my family or go my-
self to a doctor, visit a
dentist, or anything else I
may wish any night of the
week. Living in Edmonton
I would have to take time off
from work for most of these
things. I believe I can save
myself at least fifty man
hours a year, multiplying
this by my hourly rate it
approximates \$100.

My family is not actively
sports minded but for those
who are Alderman Gibbon
gave a very logical and true
assessment of what the
average family can save by
living in St. Albert. If the
people of St. Albert do not
want these things they should
not have voted for them.

It was brought out by Mr.
Holgersons graph that
Edmonton's mill rate was
not rising as fast as St.
Albert's. With the very
heavy expenditures for
bridges and freeways Ed-
monton finally has come to
realize the need to move
traffic, therefore their mill
rate will jump by leaps and
bounds. An estimate is 5
mills just to pay the interest
on their yearly borrowings,
completely disregarding the
principal. What is some sort
of rapid transit going to do
to that mill rate? What will
underground transit do to it?
Will they really be able to
borrow money on the open
market at 6-3/4% when
housing mortgages are all-
owed 8-1/2%?

As far as education costs
are concerned there should
be a decrease in both cen-
tres, I believe St. Albert is
ahead of Edmonton on this
score. I believe we have ad-
equate space when our pres-
ent building program is
completed. In fact I will pre-
dict that inside six years we
will have unoccupied class-
rooms.

How many children were
born in St. Albert during
1967? Do we have these fig-
ures? If not I suggest we
count noses. I suggest we
do not use statistics based
on past performances inde-
termining what our future
school population is going to
be, but this year's and even
next year's actual figures.
Thus if St. Albert does not
have a vast home building
boom which is highly un-
likely at 8-1/2% our pres-
ent school accommodation
should be adequate. I think
it behooves our schoolboards
to take a close look at what
these figures will reveal
before embarking on any
further school construction.
This may not necessarily be
true in the case of Edmonton

So please let us not allow
ourselves to be bulldozed
into amalgamation through
fear of a 73 mill rate for one
or even two years. Let us
be calm and see what hap-
pens. I wonder what the vote
on amalgamation would be
in Jasper Place today; if
they had an opportunity for
another vote?

Leroy M. Cass.
St. Albert.

Catering Workshop - Bon Accord

There will be a food cat-
ering workshop, Bon Accord
Community Hall, Oct. 18th,
10 a.m. to 4 p.m. This work-
shop is of interest to all
those women in the district
who cater to banquets, com-
munity suppers, as well as
small restaurant owners.

Workshop is free of
charge to all interested
parties and is being conduc-
ted by Mrs. M. Hemsing,
Home Economist for the
County of Sturgeon and
special guests will be Miss
Doreen Strynacka, Food
Specialist; also Mr. Lloyd,
Health Inspector for the
Sturgeon Health Unit. Lun-
cheon at \$1 per plate will
be served at noon, as pre-
pared by the local W.A.
group in Bon Accord.

MD Gears For Election

The council of the Municipal District of Sturgeon made preparations for the elections in Div. 3 and 4 at their meeting held on Sept. 15. This was the second day of the regular meeting.

Those present were: Councillors G. Wilson, L. Rye, W. Flynn, S. Walker, D. Bevington and Secretary Treasurer A. Nobert.

Absent: Councillors L. Kluthe and W. Van de Walle. On Saturday, Nov. 4, from 3 p.m. to 2 p.m. in the municipal office in Morinville, nominations for councillors in areas 3 and 4 will be accepted.

Clive Potter will be returning officer.

POLLS

Div. No. 3, Election polls at the Mission Park School in St. Albert and at the Cunningham School in Morinville. Ch. Dixon DRO at Mission and Sid Weiss at Cunningham. Mrs. Leonard Hesse, enumerator, Div. 4. Polls in the Calahoo church basement in Calahoo, Camilla School in Riviere Qui Barre, and Villeneuve Community Association Building Villeneuve School. J. McDonald DRO at Calahoo; M. Comeau at Riviere Qui Barre; Ed Savole at Villeneuve. Mrs. Savole is enumerator.

erator.

Deputy returning officers to appoint their own poll clerks at the various polls.

Deputy returning officers were authorized to appoint their own poll clerks at the various polls.

Election employees remunerations is as follows: Returning Officer - \$20 per day plus .12¢ per mile.

Deputy returning officer - \$20 per day plus .12¢ per mile.

Enumerators - \$15 per day plus .12¢ per mile.

Poll clerks - \$15 per day plus .12¢ per mile.

Plains Western Gas-Sturgeon Gas Co-op. Proposed plans for the distribution of natural gas to the rural area south east of Morinville were presented. These were approved subject to the following conditions:

All gas lines to be installed at least 100 feet from the centre of all roads.

Road crossings to be ditched to a depth of at least eight feet.

All rural residents in the area in question be not denied gas services if they so desire such services.

Offer to purchase - Lot 4, Block A, Plan 8105ET, in Pt. NE 31-54-27-4, A

letter from Norman Anderson offered the municipality \$225 for the above described tax recovery property.

Tabled until the October meeting.

A letter from King Seagrave recommended the installation of heated pump panel on the four ordered units. Said item showed as an option on tender submitted for an additional cost of \$244 for the four units, if installed at the factory. These were ordered.

Council authorize the erection of cattle crossing signs by H. Bergstrelser on the road allowance between the SE 18-55-27-4 and SE 13-55-1-5 subject to the condition that applicant be held responsible for the cost of signs, to erect and maintain said cattle crossing signs.

Calgary Power - Power Service Extension to Speedway Park in E-1/2 25-53-25-4 was approved.

Speedway Park Sport Centre - Messrs R. Booth and Hagen attended in relation to land required by the municipality from the company's property for road widening from 137 Ave., on 127 St., north to Speedway Park gates. The council informed the delegation that in order to proceed with the reconstruction of the above mentioned road to a four lane highway, the municipality expects Speedway Park to donate the land required for road widening and possibly would consider to pay portion of fence removal. Mr. Hagen stated that he would get in touch with the Board of directors for the centre and find out to what extent the company is prepared to go in order to obtain the proposed road.

G. Taylor will be advised that his department's offer of paying 75% of the cost for construction and travelling for a four lane highway from 137 Ave., north on 127 St. from 1/2 to 3/4 of a mile is acceptable, provided that the necessary land can be acquired and weather permits said proposed construction.

As the municipal association convention is to be held from Nov. 14 to 17 this year and such coincides with the dates of the November council meeting, the meeting will be held Nov. 21 and 22.

Councillors G. Wilson, W. Flynn, S. Walker, L. Kluthe, W. Van de Walle, D. Bevington and Mr. Nobert were appointed as voting delegates at the convention.

A letter from Mr. J. D. Edworthy of Jubilee Insurance Agencies was read to the Council in respect to Councillor and Secretary - Treasurer accident insurance coverage. Details will be sought.

A letter from Mr. Curtis, president of the Morinville Centennial Committee, was read in respect to the Confederation Caravan which this area was host for on Sept. 30. This was a non profitable project and financial assistance was needed. A grant of \$200 was authorized.

A letter from Mr. Richardson, president of Richardson Road Machinery was read. His letter was in answer to this municipality's request for a new scraper to replace the present defective Wagner scraper that

Inspector Commends MD

Morinville -- The council of the Municipal District of Sturgeon met on Sept. 14 with a heavy agenda.

Those present were: Councillors G. Wilson, L. Rye, W. Flynn, S. Walker, W. Van de Walle, D. Bevington, Superintendent of Public Works R. Stack and Secretary Treasurer A. Nobert.

The Council extended a vote of condolence to Mr. Nobert on the recent death of his sister Mrs. Eugene Pelletier. He expressed his thanks.

Reeve S. Walker read the inspector's report of an inspection of the books and records of this municipality. He recommended that by-laws be amended only by amending by-laws and that road signs be erected only after having been authorized under a by-law. His remarks indicated that all requisition payments were up to date, no outstanding loans, and Net Balance at end of previous month 413,885.27 Receipts for the month 299,022.12

Sub Total 712,907.39 Less disbursements for the month 347,086.85

Net Balance at end of Month - 365,820.54

records were found to be well maintained and the office administration carried out in an efficient manner.

A letter from Hon. G. Taylor, was read giving additional information on his department's proposal to this municipality on the construction of 127 Street for 1/2 to 3/4 of a mile from 137 Avenue North to a four lane road. He will be advised that his department's proposal is acceptable and the said road will be constructed this season, provided that the necessary land for road widening can be acquired and weather permitting. This construction cost of the engineering, road construction and graveling are to be on cost sharing basis of 75% government and 25% municipality.

The secretary treasurer presented the monthly financial statement as of Aug. 31, and copies were distributed to each councillor.

Previous month 413,885.27
Receipts for the month 299,022.12
Sub Total 712,907.39
Less disbursements for the month 347,086.85
Net Balance at end of Month - 365,820.54

The financial statement was adopted as submitted.

Revenues - Licenses and Permits \$2,688.36; Rents and Concessions \$5,958.98; Fines \$1,571.00; Interest and Tax Penalties \$12,170.29; Service Charges \$402.50; Grants \$353,018.82; Misc. Guides - Brownies Plan Event

The only fund raising drive during the year for the Morinville Brownies and Guides will be held in the Morinville Centre on Sunday, Oct. 22 from 1 p.m. until 5 p.m. with an afternoon program which will include a rummage sale, bake sale, candy sale and fresh strawberry shortcake and refreshments.

Mrs. Harry White will be the general convenor assisted by Mrs. Don Bouvier. Mrs. Alice Woytkiw and Mrs. Joe Calder will be in charge of the bake sale. Mrs. Rose Martel, Mrs. Richard Kemillard and Mrs. Ewald Carlson and Mrs. West in charge of the tea. The raffle is in the hands of Mrs. Andrew Ricard.

Brownies will be in charge of the candy sale with their Brown Owl, Mrs. Zel McDonald, and Miss Tanney Owl, Miss Louise Craig. This is a popular event every fall, and everyone is invited to come and patronize it.

Meanwhile a large assortment of articles are needed to make the rummage sale the same success as in the past. Now is the time to gather all that assortment of used clothing or any household articles that you may wish to contribute and bring them to the depots located in the south end of town at Mrs. Harry White, Mrs. George Morris in the north part of town or at the Martel residence. If unable to deliver phone the conveners, at 256-3436, for Mrs. White or Mrs. Bouvier at 256-3205 or Mrs. Morris at 256-3149.

The business places will be canvassed by Mrs. Julie Chalfoux and Mrs. Rose Martel.

The Brownies and Guides of Morinville are a group that this community should be proud of and they merit the support of all.

Gibbons and Bon Accord area - Dr. Lamoureux, Fort Saskatchewan, Phone 543-3022.

Alphonse Nobert
Secretary Treasurer

NOTICE

THE EXPROPRIATION PROCEDURE ACT PART 11, Sec. 27, Chapter 90, 1961 S.A.

The Municipal District of Sturgeon No. 90, hereby gives notice that any claim for injurious affection of other land caused by the Expropriation of the NW 11-56-23-4, as shown on plan of survey No. 112-97MD on file in the Office of the Secretary Treasurer of the Municipal District of Sturgeon No. 90 and filed in the land Registry.

The Municipal District of Sturgeon No. 90, hereby gives notice that the road construction on the aforementioned expropriated land has been completed. Any claims for compensation for injurious affection of other land caused by the expropriation of the aforementioned land must be made by the owner of the injuriously affected land by filing the claim and particulars with the Secretary Treasurer not later than December 11, 1967. After this date any claim for injurious affection is forever barred.

Alphonse Nobert,
Secretary Treasurer
M.D. of Sturgeon No. 90

Morinville Memos

Mrs. Ida LeBlanc on Oct. 8 won the \$500 jackpot at the bingo sponsored by the Morinville Youth Recreation Committee. The prize was given in merchandise.

Congratulations to Mr. and Mrs. Alve Bokenfohr, who welcomed their third daughter, Lori Gall, on Sept. 30 a sister for Kelly Ann and Kerry Lynn. The infant was baptized on Oct. 8 by Rev. Father G. H. Primeau. Chosen godparents are Mr. and Mrs. Donald Grant.

Mrs. Charlotte Riopel and Mrs. Marcelle Riopel lost their only brother, Robert Cormier recently.

Mrs. Alphonse Trottier, received word on Oct. 6 that her sister, Mrs. Elie Verlett of Pontex, Sask, had passed away. Mrs. Trottier travelled to Pontex to attend her sister's funeral Oct. 9.

Congratulations to James Krywko and his bride, Miss Joanne Peterson of Edmonton. They were married in a private ceremony in St. John the Baptist Church on Oct. 7 by Rev. Father G. H. Primeau.

Recently Mr. and Mrs. Matt Hittinger were hosts to visitors from Portland Mr. and Mrs. Clarence Donley and Mr. and Mrs. Nally Treadwell.

Morinville residents are asked to please leave their porch lights on on Oct. 16 from 7 p.m. till 10 p.m. the members from the United Church congregation will be selling light bulbs at store prices for their building fund. All should be ready to support their good work.

Mr. and Mrs. Hubert Hickey (Alice Hittinger) from Sacramento, California, are district visitors, making the rounds to their many relatives and friends.

Mrs. Emile Montpellier formerly of Morinville is reported a patient in Edmonton hospital.

Mr. Jack Nichel, in a personal interview with the Gazette editor announced that the Morinville Hotel has been purchased by Mr. and Mrs. Ephrem Goubout of Edmonton, who will take over the premises on Jan. 1, 1968. The Goubouts will move to Morinville shortly with their two small children.

Please, ladies, it's Rummage Sale Time Again. All articles of clothing, notions lamps, electrical appliances bric-a-brac and household articles will be greatly appreciated. Leave donations at the following receiving depots: Harry Whalte residence; George Morris residence and Mrs. Rose Martel residence, before Oct. 21. Rummage sale will be held at centre, Oct. 22.

Mr. and Mrs. Edward Kryskow left by car Oct. 8 for Expo and a visit to the

United States. They expect to be back by the end of the month.

On Oct. 8 the fire brigade of Morinville was called to quell a grease flash fire at the home of Gary Severson, formerly occupied by Eugene Scantland. The property is now owned by Henry Lamoureux of Edmonton.

The only damage was a spot on the floor. A pan of grease on the stove was reported as the cause of the fire.

The Call of the Wild is taking a number of our red blooded men to the hunting grounds. Nick Woytkiw, Gerry St. Germain, Guy St. Germain, Norman Tremblay and Joe McLeod are among those with red caps and gun in hand hoping for wild geese or big game.

If you are digging up your potatoes, do not throw away those little ones. They may be worth a lot by spring. Potatoes were selling at \$4 per sack at the local auction market last week.

On Oct. 18 it is election day. Two town councillors will be elected.

Councillor Norman Chailifoux whose term of office expires this month on the town council has definitely no plans to contest the race for Mayor in November. "I want every body to know that I will not run for Mayor" said Norman.

Seven major co-ops and credit union organizations in British Columbia have set up a computer centre to service their needs in data processing. The joint company, Central Data Systems Ltd., was incorporated last May.

Kremer-Leblanc Wedding

St. John the Baptist Church in Morinville was the scene of a pretty fall wedding on Oct. 7, when Miss Cecile Kremer, daughter of Mr. and Mrs. Joffre Kremer and Robert Leblanc son of Mrs. Ida Leblanc and the late Mr. Louis Leblanc, all of Morinville were united in a double ring ceremony performed by Rev. Father Primeau.

Given in marriage by her father, the bride chose a classic short gown of white lace over crepe in A-line style with a scoop neckline and long lace sleeves. A pearl tiara held her shoulder length tulle veil and she carried a white Bible and pink roses on the cover.

Her bridesmaid, Miss Yvonne Patry, chose a yellow short model with matching accessories. A pearl

ELECTION

Continued from page 1
was purchased this spring. Mr. Richardson suggested that his company was going to install new reinforcement plates and that no replacement should be considered at the present time.

This Municipality insists on having the deficient Wagner scraper exchanged for a new model having the necessary reinforcement plates installed at the factory.

Reed, Shaw and McNaught Insurance Coverage - Letter from R. Harvey was read to the Council in regard to amending the Property Damage Coverage to apply on an Occurrence Basis rather than on an accident basis, to be effective Jan. 1, 1968.

Letter of appreciation was received from Miss Shirley Clark. Invitation from the Fort Saskatchewan Centennial Committee was extended to the council to attend the Sept. 23 Alberta Armed Forces Centennial Caravan. Inspection: Sheet report

of the Prairie Farm Assistance Branch indicated that they had now included Section 12-57-25-4 as being eligible for 1966 assistance.

Canadian National Railways informed the council that the roadmaster would arrange to make the necessary repairs at the crossing mileage 20.31 Sangudo Subdivision.

N.A.R. Crossing Mileage 1.8 Edmonton. The secretary of the board of transport commissioners informed this municipality that the board had the objections of the council on the closing of the above mentioned crossing. The Board is presently investigating the matter on hand with the N.A.R. Company.

Diamond Jubilee Book - A.A.M.D. Mr. Rye assured the council that he was presently preparing the history of this municipality and he will be bringing in the material very soon. The material has to be in the hands of the Association by Nov. 1.

Double your money with Canada Savings Bonds

One of the great things about Canada is Canada Savings Bonds, and this year's Series is the most exciting yet. Interest starts at 5 1/4% a year—the highest starting rate ever on a Canada Savings Bond—and goes right up to 6%. Over the 13 years to maturity the true average annual yield is 5.48%.

Best of all, Canada Savings Bonds have a wonderful compound interest feature which pays you interest on your interest. Take full advantage of it and you will double your money.

As always, Canada Savings Bonds are instant cash. They may be cashed at any time for their full face value plus accrued interest. They are easy to buy for cash or on instalments. They fit all savings budgets—from \$50 up.

Buy yours today—
where you work, bank or invest!

And, for the first time ever, Canada's most popular personal investment may now be bought by businesses, churches, charities, clubs, and other organizations. Another first: the limit per holder for this Series has been increased to \$50,000.

Backed by all the resources of Canada, Canada Savings Bonds are a great way to save. Buy yours today and double your money.

C58-71

de Champlain- Kooi Wedding

St. Emile's Roman Catholic Church in Legal was the scene of a beautiful autumn ceremony when Paulette de Champlain daughter of Mr. and Mrs. Albert de Champlain was united in the holy sacrament of matrimony to Mr. Eric Kooi, son of Mr. and Mrs. Sikko Kooi of Morinville.

The double ring ceremony was performed by the uncle of the bride, Rev. Father Claude de Champlain from McLennan, before an altar decorated with baskets of pink roses.

The bride given in marriage by her father was lovely in a floor formal gown of silk lagoda with a bateau neckline and three quarter length sleeves. The bodice, slim skirt and train were softly appliqued with rosettes of chantilly lace and matching lace bordered the gown and circled the full chapel length train.

A mist of illusion veil was held by tiny white roses. Her jewellery was a two strand pearl necklace, gift from the groom. She carried a cascade of red roses with satin streamers with rosebuds.

Bridesmaids Reina Michaud of Prince George, Emilie Prefontaine, Legal, and Jeanette Brisson from Redwater wore identical floor length gowns of light blue chiffon over taffeta, which featured empire waist lace bodice and set in elbow sleeves trimmed with lace. Gathered lace panels fell gracefully from the square neckline. Crystal tiaras and pendants and bracelets, gifts of the bride, completed their ensembles. They carried semi-cascades of tinted blue gardenias. Flower girl was charming petite Donna de Champlain, niece of the bride, in a white floor length gown with empire waist lace bodice. She carried a basket of tinted blue gardenias with matching flowered headpiece.

Best men were George de Champlain, Claude de Champlain, brothers of the bride and David Rockwell. Ushers were Richard de Champlain and William Kooi.

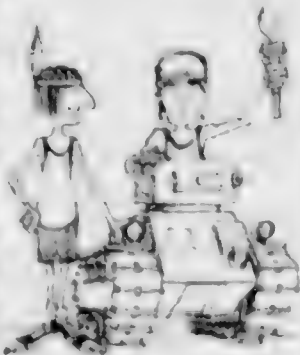

For her daughters wedding Mrs. de Champlain chose a two piece effect green dress with lace bodice, crepe skirt and brown accessories complimented by a corsage of pink roses. Mrs. Kooi wore a soft yellow print dress with black accessories and yellow roses on corsage.

Miss Rachel St. Martin played the organ and soloists were Mrs. Donald Steffes and Mrs. Henry Kieser, cousins of the bride.

Following the ceremony a banquet for 200 guests was held at the Legal Community Centre, followed by a dance attended by some 400 relations and friends. Mr. Roland Prefontaine was master of ceremonies. The front table was centred with a three tiered wedding cake decorated with pink roses and silver doves.

For her honeymoon to Victoria, B.C., Mrs. Kooi donned a double breasted teal blue two piece wool suit with matching black accessories. The happy couple will reside in Edmonton.

World Book Lore

The 1912 U.S. Olympic team included not only the famous athlete Jim Thorpe, but also a future famous general—George S. Patton.

Mr. Stack read his report to the council indicating the expenditures to date on repairs, road consyruction, gravelling and road maintenance.

Road maintenance-motor graders	48,798.50
Culverts	11,947.10
Machinery Rentals	18,034.99
Gravelling 18 & 1/2 miles of road	136,407.49
Road Construction, 9 miles	190,233.39
Nuisance Grounds	1,448.80
Repairs on machines	47,274.27

Drainage Complaint - SE 8-56-25-4 & SW 9-56-25-4, A Lavallee & O. Himschoot attended the meeting and requested council to consider making a survey, profiles and obtain cost estimates on the construction of a drainage ditch to be located along the east side of the north and south road adjacent to the above described property.

Council will submit an application to the Water Resources Division for a survey of above and other possible land in that vicinity.

Supreme Real Estate Ltd. Drive in Theatre 14 SW 25-53-25-4, Mr. May, on behalf of Mr. McGuire attended the meeting and submitted a plan of an access of the above described property onto 137 Avenue. The council felt that the proposed access to 137 Avenue might not be acceptable to the City of Edmonton.

The Public Relations Committee arranged to meet with the city engineers, Gray and McDonald, in order to discuss this access road.

The Reeve advised Mr. May that after discussing said matter with the city engineers, the company's proposal would be further discussed at the Interim development meeting to be held on Sept. 29.

The council requested the bridge branch for an inspection and replacement of the following bridges W/NW 5-55-27-4, W/SW 24-56-23-4, W/NW 4-56-23-4.

Public Works Superintendent informed the council

that he had obtained an agreement with A. Rustemeler for land required for a drainage ditch on the NE 29-55-24-4, south east of Morinville approximately 1-1/2 acres at \$300. per acre.

Mr. Stack will proceed with the drainage work involved and approve the agreement with Mr. Rustemeler.

Council instructed Mr. Norbert to insert a notice in the Gazette stating that the "No Fire permits are to be issued as long as present dry conditions remain."

Council approved the extension of a Northwestern Utilities gas line to Mr. Manning subject to the condition that road crossing be bored and not ditched.

Gas Line extension to Mr. Roberge, north of 137 Ave. and west of 113 A Street was also approved.

Unity Construction and the Municipal District per D. Bevington, From NE 12-56-24-4 north 2 miles - \$2.45 per cu. yard. From NE 31-57-23-4 east 1 mile and south 2 miles and east 1 mile at \$2.05 per cu. yard. From NE 24-56-24-4 east 4 miles at \$2.90 per cu. yard.

Apex Gravel Ltd. and the Municipal District per D. Bevington, From SE 6-56-22-4 north 5 & 1/2 miles at \$3. per cu. yard. From SE 12-56-23-4 north 1/2 mile at \$3. per cu. yard. From NE 35-56-23-4 north 3 miles at \$3. per cu. yard.

Council approved both gravel contracts.

Chicken Supper

Legal - The Ladies of St. Anne held their meeting on Oct. 2 at the Recreation Centre. The president opened the meeting by reciting a prayer to St. Anne followed by the reading of the booklet, then group discussions. The meeting planned the chicken supper to be held on Nov. 5 various suggestions to improve and make meetings more interesting.

It was decided that the Sunday following the meeting would be chosen for the

ladies to receive communion with their families and that a hymn in honor of St. Anne would be sung.

Coffee was served by the lunch committee.

Railway Crossings-Automatic Protection Recommended - a) between NE 32-55-25-4 & SE 5-56-25-4 (1 mile west of Morinville, b) between NE 22 & SE 27-57-25-4 (1 mile West of Legal) c) W/SW 20-56-23-4 (1.5 miles northeast of Bon Accord) d) N/NE 9-54-26-4 (2 miles east of Villeneuve)

A letter from Mr. D. D. Kuckinski, traffic planning engineer of the department of highways was read at the meeting in respect to council's wish on the installation of automatic protection lights at the above described locations.

Council requests further information in regard to what are the capital costs for said installations and maintenance charges for such.

156 St. - From City Boundaries north to Inland Cement - A letter from the secretary treasurer of the M.D. of Stony Plain was read requesting the M.D. of Sturgeon to consider paying for one third of the cost of paving the above described road. The estimated cost of the proposed portion of road to be paved is \$15,000.

This municipality is prepared to favorably consider the above mentioned proposal in the council 1968 public works projects.

Kremer-Leblanc
Cont'd, from P. 2

onial bouquet of yellow roses and white carnations.

The best man was Mr. Mathias Sabourin of St. Albert, soloists were Mrs. Alice Vest of Edmonton and Andre Meunier, Mrs. Leon Riopel was at the organ.

Following the wedding a reception and buffet supper was held at the residence of Mr. and Mrs. Joffre Kremer for some 125 guests. Mr. Gaston Kremer, uncle to the bride, was master of ceremonies and proposed

the toast to the bride.

For her daughter's wedding Mrs. Kremer chose a gold lame dress with lace jacket, beige accessories, beige and brown hat and yellow roses en corsage.

Mrs. Leblanc chose a blue suit with black hat and matching accessories.

The couple will make their home in Morinville.

An abandoned child, a blind young mother, a friendless old person may depend on your gift to the united campaign. Make it a generous gift, too.

Anyone interested as care

Continued on Page 8

Have you ever wondered...

... how much it costs for complete hospital care in Alberta?

Five dollars the first day, and \$2.50 for each day thereafter, for active treatment hospital care—that's all any Alberta resident has to pay to receive all of the services prescribed by his doctor as necessary to his recovery while in a general hospital. The remainder of the costs are paid by the Alberta Hospitalization Benefits Plan, administered by Hospital Services, Alberta Department of Health. The Plan also provides for outpatient services, paying 80 per cent of the charges, and makes auxiliary hospital care available to qualified patients for only \$1.50 a day. The patient chooses his own hospital, when feasible, and if his doctor considers that he requires active treatment, there is no limit on the length of stay for which the patient is eligible. Out-of-province coverage is also provided by the Alberta Hospitalization Benefits Plan.

... what is the most important subject to Alberta's deaf school children?

Communication is the prime necessity, for, before he can begin his studies, the deaf pupil must learn to communicate with his teacher and with his fellow students. At the Alberta School for the Deaf, a branch of the Alberta Department of Education, students spend the first three years learning vocabulary, spoken and written language and sense training before they begin regular school subjects. To teach these, a combined method of instruction is used, utilizing speech, speech reading, auditory training and finger spelling. Pupils begin this preparatory course at the age of five and have the opportunity to progress to Grade X if they have the ability and the desire. For the older pupils, pre-vocational courses are offered in Home Economics, Industrial Arts and Business Education. The Alberta School for the Deaf accepts children of residents of Alberta, and Indian or Eskimo children from the North West Territories, wards of the Federal Government. The school has a capacity of 144 pupils.

... where Alberta's firemen learn their trade?

Every year, officers and potential officers from fire departments all across the

province go to school... the Alberta Fire Training School in Vermilion. There, they take a five week course covering all aspects of their responsibilities, from actual fire-fighting to administrative work. Fire Officers Training Courses are available to all volunteer fire departments and to those professional departments which do not have their own training programs. Successful graduates receive a set of lecture notes and materials to enable them to pass along the acquired skills and knowledge to their own local fire fighters. There is no fee charged for the training and free room and board are provided for candidates from within Alberta. The Alberta Fire Training School is conducted by, and equipment, instructors and me-

thods of training are all provided by, the Office of the Fire Commissioner, Alberta Provincial Secretary's Department.

... about the beautiful photographs which display Alberta to non-Albertans?

From West Germany to North Carolina, from Burma to Birmingham, people the world over are learning about Alberta from publications illustrated with life-like color photographs. The projection of this attractive image of our province is the work of the Film and Photographic Branch of the Alberta Department of Industry and Development, whose staff takes and processes those pictures used in government publications. In addition to showing Alberta to non-resi-

dents, the Film and Photo Branch also helps to keep Albertans up to date on the doings of the government, as they produce photos and film clips of newsworthy events for reproduction in newspapers and on television. Government photographs produced by the Branch are not available for direct advertising use, or to private individuals or firms for decorative purposes.

... what tops the agricultural "best seller" list in Alberta?

Actually, it's a publication called "Chemical Weed Control". Each year, 12,000 of these technical aids to farmers are distributed by the Publications and Visual Aids Branch of the Extension Division, Alberta Department of Agriculture. Next most popular is "The Alberta Farm Guide", closely followed by "The Horticultural Guide", each with a distribution of approximately 7,000 annually. Altogether, about 32,000 publications, covering all agricultural subjects from farm management to pest control, are supplied free to Alberta farmers each month, keeping them advised on new techniques and developments in food production.

The 1968 Mustang went on display at Ford of Canada's Ford dealers Sept. 22. The convertible features optional, low-gloss black paint on its hood louvers. Available also in two-door hardtop and 2+2 fastback, the 1968 Mustang offers new power, all-new interior trim schemes, styling refinements and new safety, comfort and convenience. Mustang is designed to retain its popularity as Canada's leading specialty car.

Funeral Rites

Funeral services were held in St. John the Baptist Church in Morinville on Thanksgiving Day, for Robert Cormier, 53, who died on Oct. 5 following a stroke at his home on Sept. 28.

Rev. George H. Primeau, officiated assisted by Rev. Father Armand Beaupre and

Rev. Father Lucien Tellier of Picardville.

Interment took place in the local cemetery.

Born in Calgary, the only son of the late Mr. and Mrs. Horace Cormier, Robert was a victim of polio at a very early age. He came to Morinville in 1920 with his parents and two sisters at the age of six years. Although he was handicapped he was interested in many activities and became an excellent carpenter, a trade that he mastered and worked at until his death.

After the death of his mother several years ago, he continued to live in the family home. His father died in 1953.

Mr. Cormier was a good hearted friend and a kind neighbour. He is survived by two sisters, Mrs. Leon (Charlotte Riopel), and Mrs. Arsene (Marcelle) Riopel both of Morinville.

Wednesday, October 11, 1967

Strawson-Foster Wedding

Bon Accord United Church was the scene of an afternoon wedding recently, when Miss Leslie Mae, daughter of Mr. and Mrs. Irwin Strawson of Bon Accord, became the bride of Donald Gordon, son of Mr. and Mrs. Ivan Foster of Gibbons.

The double ring ceremony was performed by Rev. E. Miller before an altar decorated with baskets of gladioli and snapdragons.

The bride who was given in marriage by her father, wore a corded rayon A-line dress with empire waist and all lace coat, featuring lily point sleeves and three quarter train. Her shoulder length veil of French tulle, worn bouffant style, was held

in place with a white flower arrangement and she carried a bouquet of red roses. Her only jewelry, a drop pearl necklace-gift of the groom.

The bridesmaids, Miss Wendy Owen and Miss Peggy Foster wore identically styled gowns of pale blue taffeta with an overlay of sheer. Each carried a bouquet of white and blue tinted carnations.

The best men were Const. Robert Strawson, R.C.M.P. brother of the bride and Mr. Richard Petherbridge. The ushers were Mr. Larry Foster and Mr. Glenn Strawson.

For her daughter's wedding, the bride's mother chose a dress of light green metallic with matching hat and white accessories. She wore a corsage of pink roses.

For her son's wedding, the groom's mother chose a beige all lace dress with blue accessories and pink roses en corsage.

Soloist during the ceremony was Mrs. David Field of Edmonton and pianist for the occasion was Mrs. Robert Morris of Bon Accord. Following the ceremony, a reception for 90 guests was held in the Bon Accord Community Centre. The brides table was centered with a three tier wedding cake.

Mr. Keith Everitt of Bon Accord was master of Ceremony and the toast to

the bride was proposed by Mr. Frank Rigney of Gibbons. A lively dance completed the evening.

For her honeymoon trip to Banff the bride chose a chocolate brown lace dress with beige accessories.

Mr. and Mrs. Donald Foster will make their home in Edmonton.

Educational TV

Morinville - Three teachers from Sturgeon Local of the Alberta Teachers' Association recently attended the meeting of the Metropolitan Educational T.V. Association in Edmonton. As a result of that, it is expected, that the Sturgeon Local of the ATA will take an active part in the planning and programming of the ETV which is expected to go on the air in the near future.

A seminar on audio-visual aids in schools was held at the University of Alberta on Sept. 29 and 30. A good representation of the Sturgeon teachers attended this to acquaint themselves with the latest innovations and machines that can be used for better instruction in the classroom.

During the same weekend three administrators from Sturgeon attended the conference of the council on school administration held in Red Deer. Dr. Goldhamer, Dean of Education at the University of Oregon, spoke on Local Community Politics and Education. A very lively and informative discussion followed. The school administrators, who have to deal with the local community politics every day, came back with a better understanding and appreciation of the community and its politics. This will certainly help them to make their administrative decisions affecting the community.

Members of the Sturgeon Local are spending more and more of their time for professional development and improvement of their competence as teachers. This they do in their own time, after school or during the weekends. "A teacher's job is not finished at 4 p.m. as many people would like to think," said one local principal. "Teachers on our staff are continuously striving to add to their qualifications in order to render better and more effective services to the community."

Most of the teachers attend summer schools at various universities in and out of Alberta to acquaint themselves with the latest innovations and improvements in the field of education. Some continue with this professional development during the year by attending evening classes.

And that is not all. With the beginning of the school year in the fall, many in-service training programmes include various specialist councils, seminars, conventions and workshops. The department of education and University of Alberta participate or co-operate in some of these projects.

The teachers in Sturgeon area have a lead in the province as far as their self improvement and professional development is concerned, and they are determined to keep up that lead.
